*We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it's our conviction – we're here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God's people. You figured out we're not all together, but we're working on this journey of faith and we are glad you have come along with us for the ride.*
