### Call to Worship

**All: Is there a place more heavenly than here?**

L: Is there a limit to how much we can receive from a generous God who is always giving?

**All: Is there a wrong stronger than God’s forgiveness?**

L: Is there a Word under all words?

**All: Is there a silence more holy than just being quiet?**

L: Is there a mystery that shapes human destiny beyond our cleverness, insight and effort?

**All: Holy God, Source of questions and Companion on the search, help us to know and to feel that this is the time so precious to be shared; this is the place where joy is colored with heaven; this is the moment where grace is abundant and forgiving; this is the day where silence and word dance together; this is the season when mystery brings buds to flower and brings new life to winter woes.**

### Benediction

We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it’s our conviction – we’re here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God’s people. You figured out we’re not all together, but we’re working on this journey of faith and we are glad you have come along with us for the ride.

Not able to be with us in person today? Worship with us through these options:
